

ACME CLOUD SYSTEMS, INC. — US EMPLOYEE HANDBOOK (EX-CERPT, 2026 EDITION)

Effective 2026-01-01

Applies to all employees of Acme Cloud Systems, Inc. working in the United States. This handbook is not an employment contract and does not alter the at-will nature of employment.

4. Time Off

4.1 Paid Time Off (PTO)

4.1.1 Regular employees accrue PTO each pay period based on hours worked. Hours worked in excess of forty (40) in a workweek are not counted toward accrual.

4.1.2 The accrual factor is determined by completed years of service:

COMPLETED YEARS OF SERVICE	ACCRUAL FACTOR (HOURS OF PTO PER HOUR WORKED)	APPROXIMATE ANNUAL ACCRUAL AT 40 HOURS/WEEK
Fewer than 5	0.0961	200 hours
5 through 9	0.1154	240 hours
10 or more	0.1346	280 hours

4.1.3 New employees are advanced forty (40) hours of PTO on their first day of employment. Advanced PTO is charged against subsequent accrual.

4.1.4 Accrued unused PTO carries over into the following calendar year up to one and one-half (1.5) times the employee’s approximate annual accrual. PTO accrued above that balance is forfeited on December 31.

4.1.5 PTO must be requested at least five (5) business days in advance for absences of three (3) or more consecutive days, and requires manager approval.

4.2 Paid Sick Leave

4.2.1 Employees accrue one (1) hour of paid sick leave for every forty (40) hours worked, beginning on the first day of employment.

4.2.2 Accrued paid sick leave may be used beginning on the ninetieth (90th) calendar day of employment.

4.2.3 An employee may use no more than forty (40) hours of paid sick leave in a calendar year.

4.2.4 Up to forty (40) hours of accrued unused paid sick leave carries over to the following calendar year.

4.2.5 Accrued unused paid sick leave is not paid out on separation of employment.

4.6 Compliance With State and Local Law

4.6.1 Where a state or local law requires a more generous rate of accrual, a higher accrual or use cap, a shorter waiting period, or greater carryover than this Section 4 provides, that law applies to employees working in that jurisdiction in place of the corresponding provision of this handbook.

7. Business Expenses

7.1 Approval thresholds for business expenses are set out in the Acme Corporate Expense Reimbursement Policy. A department may adopt a policy that is more restrictive than the Corporate Expense Reimbursement Policy. Where a department policy and the Corporate Expense Reimbursement Policy differ, the more restrictive approval requirement controls.

7.2 Expense reports must be submitted within sixty (60) days after the expense is incurred. Reports submitted after that period require Controller approval.

9. Separation of Employment

9.1 Employees are asked, but not required, to provide two (2) weeks' written notice of resignation.

9.2 Company property must be returned on or before the last day of employment.

9.3 Final wages, including any earned and unpaid incentive compensation, are paid on the next regular payroll date following the employee's last day of employment.

9.4 Accrued unused PTO is not paid out on separation, except where applicable state law requires payout, in which case it is paid at the employee's final base rate of pay.

9.5 Where applicable state law requires final wages to be paid earlier than the next regular payroll date, Payroll will issue final wages by the deadline that law requires.
